Shareholder's Stock Lease Form

No water service shall be supplied or Stock Lease Notice Form processed by San Antonio Water Company {SAWCo} to anyone who is **NOT** a shareholder. When submitting a request for lease of stock you must provide the following basic information in legible & complete form and **signature must be notarized** by the shareholder (s) {herein called Lessor} and returned to the SAWCo office. All costs and fees associated with this request are the responsibility of the requesting shareholder(s).

The undersigned Shareholder(s) {herein called Lessor} hereby instructs the San Antonio Water Company {SAWCo} to deliver from available water, an amount proportioned to _____ shares of stock [Certificate No(s). _____], to the order of _____ {herein-called Lessee} for the term of _____ years. Starting date from _____ (mm/dd/year) to _____ (mm/dd/year) or the end of that billing cycle.

Said Lessee(s) hereby agrees to pay to SAWCo the charges for water delivered (other than assessments on shares) in accordance with the policies and regular practices of the Company, and agrees that if payment of said charges is not made in accordance with said policies and regular practices, that said charges shall immediately become due and payable and further delivery of water will be terminated.

The undersigned Lessor(s), as owner of the herein leased share(s) of stock, hereby guarantees payment to SAWCo of all related charges for water delivered to Lessee. Lessor further agrees that if payment of said charges is not made in accordance with said policies and regular practices, that said charges shall immediately become a lien upon the above mentioned share(s) of stock the same as though the water had been used by said Lessor(s).
